Asthma Inhaler Authorization

Student Name_____ DOB_____

School_____ Grade_____ Teacher_____

Allergies_____

This form must be completed fully, in order for schools to administer the required medication. A new medication administration form must be completed at the beginning of each school year, for each medication, and each time there is a change in dosage or time of medication administration.

- ➔ Any asthma inhaler must be in a container labeled by the pharmacist or prescriber.
- ➔ A parent/guardian must bring the medication to school if the student is not authorized to self carry. Students are not permitted to bring medication to school unless given authorization.
- ➔ The Asthma Inhaler Self Carry Agreement (reverse side of this form) must be completed.
- ➔ The school nurse will call the prescriber, as allowed by HIPAA / FERPA, if a question arises about the child and/or child's medication.

PARENT / GUARDIAN AUTHORIZATION

I/We authorize designated school personnel to administer the medication as prescribed by the prescriber (below). I/We certify that I/we have legal authority to consent to medical treatment for the student named above, including the administration of medication at school. I/We understand that the ***medication must be in the original container*** and be properly labeled with the student's name, prescriber's name, date of prescription, name of medication, dosage, strength, time interval, route of administration, and the date of drug expiration when appropriate. I/We understand that at the end of the school year, an adult must pick up the medication, unless the student is authorized to self-carry their inhaler; otherwise it will be properly discarded. I/We authorize the school nurse to communicate with the health care provider/prescriber or pharmacist to clarify the below listed medication order as allowed by HIPAA / FERPA.
