

Health Services

We take the health of our students very seriously and believe that in order for our students to be successful in the classroom, they must have access to health services. Each of our buildings has an assigned registered nurse who holds a baccalaureate degree or higher. Our nurses also maintain a nursing license through the Ohio Board of Nursing, as well as a pupil services license through the Ohio Department of Education. We serve many roles in the school system with our primary focus on disease prevention, service coordination, and improving the overall health of our students, allowing them to reach their fullest academic potential.

[Covid Policy](#)

COVID-19 AT SCHOOL

What to do if...

I HAVE COVID:

1. Stay at home and away from others for 5 days from the first day of symptoms or positive test (whichever one is first).
2. After 5 days, if symptoms are improving, you may come back to school and wear a mask for an additional 5 days.
3. Notify your school nurse.

I SUSPECT I HAVE COVID:

1. Stay home and test 36 hours after your symptoms started
2. Contact your school nurse if you need help locating a test

I WAS EXPOSED TO COVID:

1. Monitor for any illness symptoms and test for Covid if you get sick
2. Wear a mask for 10 days when in public from the last day of Covid exposure
